

Xtream S1

Portable Bluetooth® 3.0 Waterproof Speaker

www.adesso.com

Product Overview

The Adesso® Xtream S1 Bluetooth® Waterproof Speaker lets you take your music wherever you go! Small enough to fit in your pocket or your bag, Adesso® Xtream S1 delivers incredible audio sound with rich loudness and exceptional treble. The Adesso® Xtream S1 has a waterproof exterior letting you listen to your music in the shower, at the pool, on a hike, or anywhere! The built-in Bluetooth® microphone adds an extra option to make hands-free phone calls. Each device comes with a detachable suction cup so you can stick the device on a window or a bathroom wall. With a brand new modern design with 5 vibrant colors to choose from, you can now enjoy even fuller, bolder, and louder sounds (and answer calls) with a touch of a button!

Bluetooth 3.0 Wireless Technology

Offers up to 30' feet of Wireless freedom, plus the benefits of lower battery consumption, faster pairing and higher security encryption.

Detachable Suction

The suction cup allows the audio device to stick to smooth surfaces such as wall tiles and glass or metal. The suction cup is also detachable if preferred.

Built-in Microphone

Omni-directional Microphone allows you to make hands-free phone calls.

Built-in Rechargeable Battery

You can easily charge your device with its built-in rechargeable battery via USB Port using the Micro USB Cable contained with the device. Music time can last up to 7 Hours while the Stand-by Time can last up to 800 hours!

Waterproof

With its water-proof silicone material, you don't have to worry about damaging your S1 because you can't! You could spill a beverage on it and all you have to do is simply wipe or clean it off and continue to use it, good as new! Ranked at IPX-6 Waterproof Standard, this device can withstand heavy splashing and rain.
