* Product Overview

The Adesso® AKB -130EB -3 Color Illuminated Multimedia desktop Keyboard is for those who love to work late at night and love their shortcuts. This keyboard features eye-soothing backlit keys in green, blue and red- 3 colors for increased productivity in dim lighting situations or dark environments. Switch easily between green, blue or red with one touch of a key! Extra large 4X bright letters provide excellent contrast over traditional keyboards that have regular size letters. With multi-functional Hotkeys, you get quick access to your media controls, Email, Internet browser and other common applications. The Adesso® AKB-130EB is designed with mem-brane key switches that provide a quieter, faster response and stand up top long -term usage.

* 3 Color (RGB) Illuminated Back⁻lit Keyboard

The Illuminated Back lit Keyboard lets you choose your backlit color from green, blue to red with one key touch, and easily adjust brightness up , down or off to suit your personal preference and mood. The gentle illumination allows you to work day or night while easing eyestrain . See th e correct keys in any - dark environment. Work from dusk to dawn at your desk or in the bedroom without disturbing others!

* 4X Size: Large Print Keys

The large 4X size black print on regular size keys provide excellent contrast and larger appeal over tradional keyboards that have small white letters on dark black keys.

* Multimedia & Internet Controls

Control your media with one-touch using the built-in Multimedia HotKeys. You can also navigate the Internet and access your email with the built-in Internet Hotkeys. In other words, you have convenience with one touch of a key!

* Quiet Membrane Key Switches

With a life cycle of 5 million keystrokes, Membrane key switches provide a faster response along with a quiter typing experience.
