www.adesso.com

The Adesso Multimedia Desktop Keyboard is the perfect keyboard for users that love shortcuts. This keyboard features multi-functional hotkeys that give you quick access to your media player tools, e-mail, Internet browser and other common applications like accessing your my computer folder and calculator. The keyboard is designed with low-profile membrane key switches which provide a better tactical feel. In addition, Adesso offers this keyboard in either USB or PS/2 interface, providing you with the ability to connect to all computers or notebooks.

### ■ Multimedia & Internet Controls

Control your media player with one-touch using the built-in Multimedia Hotkeys. You can also navigate the Internet and access your emails with the built-in Internet Hotkeys.

### ■ Windows One-Touch Controls

Instantly open your favorite Windows applications, such as my computer, calculator or search without having to navigate with your mouse.

### ■ Membrane Keys Offer Fast Typing and a Long Lifecycle

The membrane keys offer you fast typing and a lifecycle of more than five million keystrokes.
