

# AKB-625UB Illuminated Compact Keyboard

The Adesso® AKB-625UB Illuminated Compact Keyboard makes typing easy, comfortable and productive in any lighting, even in dark. By day, enjoy the keyboard's low-profile scissor-switch key design that offers a faster and quieter tactile response. By night, continue enjoying these same great features along with three illumination color options that prevent eye strain and let you be productive through the night. This keyboard offers a compact size layout and an ultra-slim modern design to fit any room in your house or office.

### ■ Multiple Illuminating Color Options

The AKB-625UB offers three distinct illumination colors (green, blue and aqua), so you find the perfect brightness and color for your unique eyesight.

### ■ Scissor-Switch Keys

The slim low-profile scissor-switch keys are designed to offer a quieter and faster typing response —the same great typing feeling as laptop keys.

### ■ Ultra-Slim and Stylish Design

This keyboard offers an ultra-slim design, measuring 0.4" in thickness, and a sleek glossy frame finish to add style to any room in your house or office.

### ■ Compact Layout

The keyboard's compact layout is space-saving, perfect for small workstations, and provides comfort for long hours of use.
