Cyberpen 301

3-in-1 Stylus Pen

The Adesso CyberPen 301 is the perfect accessory for all your touch screen devices. Use the stylus rubber tip to navigate, draw, take notes and interact with all your touch screen devices more accurately and fingerprint free. The stylus pen also features an ink pen for you to quickly jot down notes on paper. Simply twist the pen barrel and instantly you have access to a pen. Moreover, this pen also functions as a laser presenter, letting you stay on point with a 200m-ranged focused laser.

■ Laser Pointer

Always stay on point with the built-in 200m-ranged focused laser during your presentations.

■ Stylus Navigation

The Cyberpen Stylus rubber tip allows you to fluidly navigate your touch screen devices with pinpointing accuracy and eases stress on your fingers.

■ Ink Pen Writing

Ballpoint ink tip for drawing or jotting down notes when you need it.

■ Scratch & Fingerprint Free

While using the Cyberpen for long durations, the stylus lets you keep your touch screens in pristine condition, free of any fingerprints or scratches.

■ Compatible With All Touch Screen Devices

CyberPen 301 works with all touch screen devices, including popular brands: iPad, Galaxy Tab, PlayBook, Xoom and more.
