Carry Without Keyboard

The Adesso® Compagno™ 3 Bluetooth® 3.0 Scissor-Switch Keyboard and Case are the perfect companions for your new iPad. This ultra-slim aluminum base detachable Bluetooth 3.0 keyboard offers great style and includes a standard layout with iPad and Multimedia Hotkeys, to access iPad shortcuts with one-touch. The scissor-switch keys of keyboard provide the same great tactile feel as a laptop and almost silent key response. A contemporary faux leather case accompanies your keyboard to protect your iPad from the unexpected. This case not only protects, but it also provides multiple viewing angles for easier typing, Internet browsing, and video viewing. The design of Compagno 3 case also converts into a stand-alone iPad case, which gives your iPad's cameras full visibility and includes a magnetic closure that automatically wakes and sleeps both your iPad and Bluetooth keyboard when you open or close the case.

■ New Ultra-Slim (1/4" thickness) Stylish Aluminum Keyboard

This ultra-slim keyboard is designed for the new iPad but the keyboard also works great with iPad 2 or iPad. The ultra-slim aluminum base design is stylish and lightweight. The Compagno utilizes advanced magnetic technology that lets the keyboard easily attach and detach from the case which also converts to a stand-alone device so you can position the keyboard wherever it is convenient.

■ Automatic Lock/Unlock your iPad and keyboard

Enjoy the advanced power management this case has to offer. Simply close case to shut off both keyboard and iPad power and open to activate power. With this unique power management technology you can rest assure that your devices will have power when on-the-go.

■ Slim, Quiet and Fast Scissor-Switch Keys

The Adesso Bluetooth 3.0 keyboard is extremely slim and compact for easy portability. The low profile scissor-switch keys offers quiet typing and faster key response.

■ Bluetooth 3.0 Wireless Technology

This detachable Bluetooth 3.0 keyboard offers an instant connection to your iPad, plus lower battery consumption higher security encryption and 8x faster transmission speed than Bluetooth 2.0 with a range of 30 feet. The scissor-switch keys offer the same great tactile feel as a laptop and a fast, almost silent key response.

■ Multiple Viewing Angles

The Adesso Compagno 3 case offers the flexibility to use case without keyboard, providing an additional viewing angle. Simply take out your keyboard and instantly you have a relaxing position to view slideshows, videos, and movies hands-free!

■ Full Camera Visibility

This carrying case also provides both iPad's rear and front cameras full visibility, so you can conveniently use your cameras while using case.
