Bluetooth® 3.0 Keyboard 1010 for iPad™

The Adesso Bluetooth® 3.0 Keyboard 1010 is the perfect companion for your iPad™ and other Bluetooth® enabled devices. This sleek and stylish keyboard includes the new Bluetooth® 3.0 wireless technology that offers lower battery consumption, higher security encryption and 8x faster transmission speed than Bluetooth® 2.0, with the same great wireless distance of 30 feet. The keyboard is designed using low profile scissor-switch keys that provide a great feel, fast tactile response and quieter input than other traditional keyboards, so you can be productive without the extra noise. This keyboard is also small and portable, so you can take with you on the road with your iPad™ or use at home with your Bluetooth® enabled devices.

■ Bluetooth® 3.0 Wireless Technology

Bluetooth® 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption, higher security encryption, and 8x faster transmission speed than Bluetooth® 2.0.

■ Slim, Quiet and Fast Scissor-Switch Keys

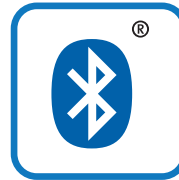

The 10-inch wide keyboard offers slim keys and is compact for easy portability. The slim scissor-switch keys are designed to offer quiet typing and faster key response.

■ iPad™ & Multimedia Hot Keys

The iPad™ and multimedia hot keys offer instant access to many frequently used iPad functions and multimedia tools, so you can navigate faster.

■ Power-Saving Switch

The Power ON/OFF Switch allows users to turn keyboard power off when keyboard is not in use, saving and extending battery life.
