

■ Product Overview

The Adesso® Compagno™ Air Bluetooth® 3.0 Scissor-Switch Keyboard and Folio Case are the perfect companions for your new iPad 5. This ultra-slim Bluetooth 3.0 keyboard offers great styling and includes a standard 64 key layout with iPad and Multimedia Hotkeys, to access iPad shortcuts with one-touch. The scissor-switch keys on the keyboard provide the same great tactile feel as a laptop and a fast, almost silent keyboard response. The portable stylish hi-tech micro-fiber leather folio case encases your keyboard to protect your iPad from the unexpected damage.

■ Bluetooth 3.0 Wireless Technology

This Bluetooth 3.0 keyboard offers an instant connection to your iPad Air, plus lower battery consumption, higher security encryption and 8x faster transmission speed than the Bluetooth 2.0.

■ 3/4" Ultra-Slim Case Design

This ultra-slim keyboard case is designed for the new iPad Air. The ultra-slim design is stylish and lightweight.

■ Slim, Quiet and Fast Scissor-Switch Keyboard

The Adesso® Compagno™ Air keyboard is extremely slim and compact for easy portability. The low profile scissor switch keys offer a quiet and faster key response.

■ Automatic Lock/Unlock iPad Keyboard

Enjoy the advanced power management this case has to offer. Simply close the case to shut off both the keyboard and iPad power and open to activate power. With this unique power management technology you can rest assured that your devices will have power when you're on-the-go.

■ Built-in Polymer Rechargeable Battery

Built-in 200 mAh polymer Li-Ion rechargeable battery rechargeable battery to supply up-to 100 hours (continuous use) or 30 days (stand-by mode). You charge the keyboard with a mini USB plug. It can also work as a pass through power supply for immediate use while charging
