iMouse™ M300

Bluetooth® Wireless Optical Mouse

Make an impression with the Adesso iMouse M300, an input device built with a modern look and has a reliable wireless range (that extends up to 30 feet). Along with the low profile "sleek" feel and comfortable design, the M300 is well equipped with an optical infrared sensor, offering better accuracy and sensitivity than any traditional optical mice.

■ Bluetooth® Wireless Technology

Bluetooth 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption, higher security encryption than Bluetooth 2.0.

■ Battery Saving

With the Auto-Sleep feature you can automatically maximize your battery life when mouse is not in use.

■ Optical Sensor

This mouse features a 1000-DPI optical sensor that improves speed, accuracy and reliability without hassle of clogged mouse ball.
