

iMouse™ T10

2.4GHz RF Wireless Trackball Mouse

www.adesso.com

The Adesso Trackball Mouse is designed to make your daily computer use be more comfortable and free.

The trackball is ergonomically contoured to fit a user's palm comfortably. The side scrolling wheel provides extra convenience. With its 1000 DPI resolution the optical trackball offers superior accuracy and smooth motion, which requires minimum hand movement and space.

Now With 2.4 GHz Radio Frequency technology, the Adesso iMouse™ T10 can provide you with wireless convenience and the freedom of a smooth connection without tangled cables for up to a 15-foot range.

■ 2.4 GHz RF Wireless Technology

This mouse works at any angle with a range of up to 15 ft. with no wires to get tangled.

■ Side Scroll Wheel

Browsing through Internet, folders, and photos with ease and comfort.

■ Accuracy and Comfort

This optical trackball provides superior precision by its 1000 DPI with minimum hand movement.

■ Easy Maintenance

The 1.8" detachable trackball can be easily cleaned with simple steps.
