

iMouse T1

2 Button Desktop Trackball Mouse

The Adesso 2 Button Desktop Optical Trackball Mouse is ergonomically designed to make your daily computer use comfortable and stress-free. The trackball is ergonomically contoured to fit a user's palm comfortably and the unique side scrolling wheel eliminates the strain traditional mices cause your hand when scrolling. With its 800 DPI resolution the optical trackball provides superior accuracy and smooth motion, requiring minimal hand movement or space. This mouse trackball is also easy to maintain just push trackball outward from back, clean and push back in place.

■ Comfortably Contoured Ergonomic Design

The ergonomically designed trackball and side scroll wheel provide comfortable cursor control and relieves daily hand strain.

■ Superior Accuracy and Smooth Motion

This optical trackball provides superior accuracy and smooth motion with minimal hand movement.

■ Space Saver

The stationary trackball mouse provides full control of your cursor with no additional space needed.

■ Easy Maintenance

The 1.8" trackball can be easy removed and cleaned by pushing the trackball outward from the back.
