## INVITATION

### Adesso to Debut Next-Generation Peripherals at Computex 2025

( May 20-23, 2025)

(NanGang Exhibition Center, Hall 1 , Booth # i0602)

Join us at **Computex Taipei 2025** as Adesso unveils the latest evolution in its productivity solutions—our all-new lineup of AI Copilot-enabled mechanical QMKVIA keyboards, ergonomic mice, headsets, earbuds, consumer drones and more.

As a global leader in computer peripherals and consumer electronics, Adesso is proud to be at the cutting edge of innovation, redefining how users interact with their devices through smart, AI-powered solutions. Adesso has expanded its manufacturing facilities to include **Taiwan, Vietnam** and **China**, offering customers a wide range of options to meet market needs and regulations.

**Experience the future of work and creativity—up close and in action. We look forward to welcoming you!**

Sincerely,

*Allen Ku*  
President
